O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 6, 1988 established this case to review and evaluate the operation of the fuel adjustment clause of Green River Rural Electric Cooperative Corporation ("Green River") for the period from November 1, 1986 to October 31, 1988.

As a part of this review, the Commission ordered Green River to submit certain information including, inter alia, its monthly fuel charges for the period under review and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Green River has complied with this Order. The Commission further ordered that a public hearing be held in this case, but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being sufficiently advised, finds that Green River has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits applied by Green River through the fuel adjustment clause for the period from November 1, 1986 to October 31, 1988 be and they hereby are approved.
